## NOW Water Soluble Packets

One packet will completely dissolve in water. With dispenser free proportioning each use will be the correct amount. No need for costly service calls, wasting of product by misuse or over use. NOW is also EARTH FRIENDLY.

### Multipurpose Cleaner and Degreaser:

Use this product for heavy duty cleaning, spray cleaning or mopping. For most cleaning conditions 1 packet makes 1 quart of foaming degreaser or 4 gallons of mopping solution. Also excellent for cleaning fryers, as a boil-out, concrete, washing greasy towels (laundry), and almost all surfaces.

**Part #: A-100 90 Water Soluble Packets 2 Tubs/Case**

### Pot & Pan:

For normal cleaning conditions use 1 packet in 10 gallons of water. For heavy baked on food stuffs add 1 packet of Multipurpose Degreaser.

**Part #: B-100 90 Water Soluble Packets 2 Tubs/Case**

### Sink Sanitizer Plus:

EPA registered sanitizer. Sink Sanitizer is also approved for controlling and elimination fruit flies in sinks, drains, etc. See label for details. In most circumstances 1 solution is stable for up to 24 hours. There is no need to replace sanitizer repetitively throughout the day. Excellent for: 3 compartment sinks, drains, sanitizing buckets, spray bottles.

**Part #: S-256 1 Gallon 2 Gallon/Case**
